

Why the change?

We have found that most families attend worship 1-2 times a month so we are responding to that reality and seizing the opportunity to do something new.

What is Service Learning?

Service Learning is an intentional way of serving others and living out faith in daily life, and our model for faith formation here at Grace.

Active Grace Frequently Asked Questions

The things you have been wondering about but haven't asked!

Are kids still learning about the Bible?

YES! Each monthly theme will be tied to a Bible story. Through Service Learning we will connect these Bible stories to daily life.

Why include worship?

By offering an option for worship as part of our time together, we hope that families won't feel they have to come for 9 am worship and stay until 11, or skip worship all together to participate.

What if I can't come both 1st and 3rd Sundays? Can I still participate?

YES! The hope is that families will have the full Service Learning experience over the course of the month, but life happens. Come and fully participate whenever you are able.
