When Will I See You Again

There is a catchy tune during the credits of “Wreck It Ralph” with the refrain “When will I see you again?” I have to admit, the sentiment of this song is quite palpable these days. Even earlier today, it brought such joy to see some of the people of Grace Lutheran Church as we gathered for a Birthday Party Parade for Gladys Peterson. It was so refreshing to see familiar faces, even though we remained in the car the whole time. It boosted the spirits of the whole family to see our brothers and sisters in Christ.

Even earlier today, the question became even more real as the Governor’s Press Conference held the update that restrictions on religious gatherings have been lifted for much of the state of Iowa. Polk County was not included in that ease of restrictions, but is slated for that restriction to be lifted on May 15.

When will we see each other again? That question has been raised often and in a variety of ways. It is worth noting that we canceled worship services before being required to do so and will continue to suspend on site worship and activities until it is safe to gather again. There is a task force that will continue to monitor the situation and make recommendations to the Congregational Council. We will also be developing a plan for varied phases as it becomes safe to gather again.

I would like nothing more than to be able to gather with all of you. That said, I still believe that the role of shepherd involves protecting the sheep. I take this very seriously. Sometimes taking care of the sheep means keeping them away from the storm. Time and time again we have heard it said that “Iowans do the right thing.” This would be one such case. We will make sure it is safe and prudent to gather before opening the building for worship and activities. It is true that Iowa is home to some of the best people in the world, in my humble opinion. I have also known plenty of Iowans who go outside to look for the tornado when hearing the Tornado Warning. There are times when we need a little push to do what is right.

Grace Lutheran Church is such a dynamic community of faith. I am continually humbled by and grateful for of you. The global pandemic has been tough on all of us, but I have seen such generosity and compassion burst forth from my sisters and brothers in Christ. These times are not unprecedented. The world has survived pandemics before. These are, however, new waters for many of us. We continue to encounter rough waters, but we are learning to navigate them together.

The other question that often comes up is:

Questions about the safety of your offerings mailed to Grace.

We want to assure you that the mail is delivered to a locked mailbox at Grace, and staff is checking that mailbox daily. Once the mail is retrieved, anything that looks to be of a personal nature or might contain money is placed in a secure locked location until members of the finance committee can tend to deposits.

Lutheran World Relief Covid Response

Dear Friend, I hope this note finds you and your family safe and well. Please know you are always in my prayers.

COVID-19 is spreading rapidly in the developing world. In the communities most at risk, guidelines to prevent infection are hard to follow. How do you stay at home when leaving home is the only way to get food and income for your family? How do you seek out medical care when the nearest health clinic is miles and miles away? How do you wash your hands when you don't have reliable access to water?

These are real challenges communities are facing and, fueled by the power of your love, I'm happy to report those are the very challenges we are tackling in our global response. Here is how things are shaping up so far.

In **Cameroon, the Democratic Republic of Congo, Ghana, Rwanda, Kenya, Uganda and Nigeria**, we are working with our Christian Health Association partners to:

- Equip health centers with the information, equipment and supplies to treat COVID-19 patients
- Mobilize church and community leaders to spread the word to families about how to protect themselves and when and how to seek care
- Track data such as confirmed cases and COVID-19 related deaths

Provide personal protection equipment, handwashing stations and more.

In **Tanzania**, you've made it possible for us to rapidly set up a call center with the Ministry of Health so families can ask questions and get the latest information about COVID-19.

In **Peru**, now home to many Venezuelans who fled the economic turmoil in their home country, you are making sure families get critical safety information through an easily accessible mobile platform. Displaced families are among the most vulnerable during this crisis, and you've given Venezuelan families a way to protect themselves.

And in **El Salvador and Indonesia**, you are delivering emergency food packs to families living in communities where market shelves are empty. Because you reached out with love, families won't have to put their children to bed hungry.

As you can see, there is a lot going on — and we would not have been able to do this without you! Your love is truly what is fueling this response.

But so much more needs to be done. We get reports from our staff on the ground that needs are increasing every day.

You've already given so generously to this effort, but the needs grow exponentially by the day. Would you consider [making another gift](#), in any size, to help keep our response going strong?

THANK YOU for the love and compassion you've show for our neighbors in need around the world. Your gifts are hard at work, right now, equipping communities and protecting families. I cannot thank you enough for putting your faith into action during this most difficult of times.

If you have any questions about our response, or about any of our ongoing work around the world, please don't hesitate to hit reply. We'd love to hear from you.

With the deepest of gratitude,
Daniel V. Speckhard, President and CEO

Church Council Highlights

At the March 24th, 2020 Church Council Meeting:

The Council met utilizing the Zoom teleconferencing application.

The Council discussed a Suspended Services Plan to deal with changes at Grace Lutheran due to Covid-19. Most of the meeting was spent in discussion to generate a Suspended Services Plan to be implemented as needed pending resolution of the covid19 virus outbreak or relaxation of some of the guidelines put forth to control its spread. Discussion had two foci: (1) factors concerning Grace Lutheran Church, its staff, and finances, and (2) factors concerning Grace Kids Care Daycare Center, its staff, and its finances.

Grace Lutheran Church

1. Staff is still working, although mostly from home.
2. Todd is performing janitorial tasks.
3. Church finances are good at this time. We can expect some savings from decreased utility bills and certain unit pay employees whose services will not be required during suspension of formal group worship services.
4. The Council expects that pledge offering will continue to come in via USPS or online giving.

Grace Kids Care Daycare:

1. The Daycare closed March 19th with plans to reopen April 6th. There are some strong feelings that the Daycare should remain closed another two weeks, until April 17th, perhaps even longer. This decision will be discussed further at the March 30th Council meeting.
2. The Council discussed options for meeting Daycare payroll as tuition income stops.
3. The Council discussed options for obtaining the necessary supplies to reopen the Daycare (toilet tissue, cleaners and sanitizers, paper towels, hand sanitizers, etc.).
4. Underlying all of these issues is the fear of spreading the virus when the Daycare reopens.

The Council agreed to meet via **Zoom** on Monday, March 30th, to continue the formulation of a Suspended Services Plan.

Respectfully submitted,
David F. Gronert
Council Secretary

Finance Report – March Results

Financial results for March YTD are as follows:

- Pledged Offerings – Actual \$106,716, Budget \$102,425
- Other Income – Actual \$7,633, Budget \$7,125
- Expenses – Actual \$108,765, Budget \$113,987
- Net activity – Actual \$5,585, Budget (\$4,437)

Actual net activity was favorable to budget primarily due offerings above budget, continued giving during these uncertain times is appreciated. Maintenance activity was also under budget.

Continued from page 1, Pastor Mike's front page letter

"Would you consider continuing the streaming of services?" Yes. The streaming of services is here to stay. We are installing equipment that will allow us to stream services and events at Grace Lutheran Church. This offering of services has enabled us to reach people that otherwise couldn't attend. There are people joining from the metro area, as well as other parts of the state, other parts of the country, and even other countries. It has been beautiful to see such a global connection in a time of isolation for the greater good.

I want to end with a personal word of thanks. As we navigate these rapids together, you have all shown such a great level of patience with me and others. There have been times where the technology has given us problems. There are times when worship begins late or without sound. Each time we have had a glitch, we have learned from it and improved. This jump to the digital age has had a steep learning curve, and you have all shown great care and patience. Thank you.

It is a joy to continue to serve you as pastor and shepherd.

In Christ,
Pastor Mike

A New Grace Lutheran Cookbook!

VBS Update

For the safety of our members, ALL GRACE VBS will be postponed to the fall.

How are we being the church with and for youth and families right now?

This is a question I ask myself often. I hear from many parents and families that are enjoying this time with their kids that is so de-programmed. A chance to just “be” together. I hear from others that are overwhelmed and “have never been so tired and done so little”. Some families welcome resources and activities to add to the enjoyment of time at home, others feel the pressure to do another thing. And this is just the first weeks of this new reality, who know what the next weeks will hold.

So how do we respond? Here are some ways I am encouraging youth and families to be church and grow in faith-

- Ongoing Grace Pen Pal communications
- [Spark Family Sunday School](#) on YouTube
- Coloring pages and lesson materials
- Stocking the Little Free Pantry
- Praying for each other and those in need
- Weekly Confirmation Zoom check-ins
- Active Grace Facebook Group
- Look for ways to serve others

I am encouraged by what I have heard in terms of the creativity of children and youth serving others even in this time of limitation. This is how to be the church, now and always, love God and love our neighbor.

Greetings!

It is a new kind of challenge to be a parent these days, many of us home with kids who don't particularly care to be there. Before the pandemic I (Ellen) had the idea that perhaps a moms/parents/grandparents book group might be a neat way to connect us and build up that community of caregivers within our faith community. I am thinking that now, more than ever, that shared connection and support might serve as a balm. After discussion with those who responded, we're planning **to discuss the book "Searching for Sunday" by Rachel Held Evans.**

We will be "meeting" on the first and third Thursday evenings at 7 p.m., and will begin Thursday, May 7. We will discuss the Epilogue, Prologue, Chapters 1-3 (Audible Chapters 1-5). If you want to join in, please contact ellen@gracedm.org

Grace Garden can use your help! Spend some time outside in the sun, play in the soil, get dirty, and do some good! We'd love to have an hour of your time now and then as we grow food for the local food pantries and to share with our members and the Little Free Pantry. We have some plants and seeds in now, so are looking for some extra watering help. At this time we will only be allowing individuals or members of one household at the garden at a time, but will make sure you have all of the information you need before you get started. Sign up here or email michelle@gracedm.org for information. <https://www.signupgenius.com/go/60B0D4BAAAA2CA1F49-grace>

Happy Mother's Day!

Mother's Day is a time to celebrate the strong, loving women in your life. At Lutheran Services in Iowa (LSI), we see thousands of Iowa moms through their journey to build the brightest future for their children.

We see moms turning to LSI's Behavioral Health Intervention Services to ensure their child is receiving the coping skills and behavioral supports they need to thrive. In our Early Childhood Services, we see first-time moms who are eager to join our parenting education classes and support groups. In 2019, LSI's Early Childhood programs provided support to 1,282 parents of young children. We are so inspired to hear their stories and see their hard work pay off as they raise our next generation.

As you celebrate Mother's Day this year, remember how many Iowa moms are being empowered because of your support. If you are looking for a way to honor your mother this year, please consider making a gift in her name to LSI. For more information, please contact Deb Whitford, LSI director of philanthropy and church relations, at Deborah.Whitford@LSIowa.org or 563-676-2065.

Our Mission: Lutheran Services in Iowa responds to the love of Jesus Christ through compassionate service. LSI is an affiliated social ministry partner of the Iowa congregations of the ELCA (Evangelical Lutheran Church in America) and a member of LSA (Lutheran Services in America). We proudly serve people of all ages, abilities, religions, sexes, gender identities, national origins, ethnicities, races, and sexual orientations. Raising Healthy Families

As a child, Morgan had endured trauma no one should experience. Addiction, divorce, and difficult family relationships all surrounded Morgan in her childhood home. When she found out she was pregnant for the first time with her daughter, Sophia, Morgan was determined to never repeat the past she grew up with.

She decided to enroll in LSI's Early Childhood Services.

Every week, her LSI worker, Ashley, would bring age-appropriate toys and games for Sophia to play with. She provided Morgan with educational resources to help her track Sophia's development and make sure her daughter was hitting all her important milestones. When Morgan welcomed her second child, Nolan, Ashley was with her every step of the way. It was Ashley who noticed that Nolan had developed a speech delay, and she helped Morgan connect with a speech therapist to correct it early.

Sophia is now in preschool and loves telling her mom about her teachers, friends, and the new songs she learned at school. Nolan is an active two-year-old who is learning new words every day. Morgan is currently finishing her Registered Nursing degree, and she dreams of working in emergency care at a hospital after graduation. And all the while, Ashley has been there to cheer them on.

"She's been more than a worker, she's been a friend when I've needed someone the most," Morgan says. "Being a new mom is hard. Having that extra person there, who doesn't judge you, who doesn't see your flaws, who is just there to help you – you can't put a price on that."

DMARC Launches Food Pantry Delivery Service

The Des Moines Area Religious Council (DMARC) Food Pantry Network is launching a food pantry delivery service to meet the needs of people experiencing food insecurity in Greater Des Moines at this time.

If a person is unable to obtain food by either visiting a food pantry location or by using a proxy to pick up food for them, they may call to request a delivery. DMARC is asking that only those with health, transportation, or other mitigating circumstances use this service.

People can call **1-833-DMARC-20 (1-833-362-7220)** toll-free to request a delivery. This number will be staffed by trained volunteers and staff from 9:00am to 12:00pm, Monday through Friday. Requests for delivery will be taken on a first-come first-serve basis, and delivery capacity will depend on the number of volunteers available. The service is launching with a maximum of 50 food pantry deliveries per day. Requests for delivery will close at 12:00pm or after 50 spots have been filled.

Once the order is placed, food will be delivered to the person's doorstep with a no-contact drop-off the following business day between 9:00am and 12:00pm.
