

## **Lutheran World Relief shares resources in the US**

Last year, as we were preparing to send LWR kits and quilts that our congregation had made to the LWR warehouse, and before hurricanes hit land and began ravaging six southeast US states, LWR was already preparing aid. As forecasters tracked the paths of the storms, the LWR warehouse loaded ten trucks with kits and quilts and shipped them to nearby states. Next, LWR provided more than \$500,000 in grants to local relief organizations who bulk purchased relief items such as bottled water and cleaning supplies locally and distributed them to families in need. LWR also provided direct cash assistance, because cash allows families to purchase whatever supplies they need most — usually including food, gas, ride-shares, clothing, diapers and medicine. This graphic shares more details. (insert attached graphic here)

Since then, LWR has also responded to people devastated by California fires. When we make kits and quilts for LWR, we never know where they will eventually land, but we can be assured that people will be blessed by them through LWR.

**Help us after worship on September 28** to put together school kits, baby care kits, and to tie some quilts for Lutheran World Relief. We'll work together in Grace Hall to make these essential gifts for our global and US neighbors who have experienced disasters, war, displacement, or deepest poverty.

In October, we will have our kit and quilt blessing during worship. On October 18, we will collect kits and quilts from 30 central Iowa churches and will drive them to the warehouse in St Paul. We appreciate all the ways our congregation supports this work.
