Re-keying Grace – Who needs access to the building?

We are still exploring options so nothing has been scheduled yet. We just want to give everyone a heads up that this is something we are working on.

Staff is starting to build the list of who currently needs access, and would like you (or your team/committee) to reach out to the office (via phone or email) to:

1. Tell us when you or your committee needs access – list all current members,
2. make sure we have your current and updated contact information so we can contact you directly when we do have a schedule.

Once everything is scheduled, we will reach out to all the teams, committees, and groups that use our space. We will also make sure to publicize dates in the announcements, weekly enews, and on the website.
